WTCP Board of Directors

I have had this letter started for over a year but have not been able to send it due to timing.

After meeting with my priest over time speaking to him as to how to put all of this into writing he simply stated to speak from the heart and be honest.

After spending nearly 10 years with WTCP from a parent to volunteer to board member I was proud of my time and efforts that I put in with the exception of my action during the last two years of my service to WTCP.

I am sincerely sorry for my actions and all that it has caused the current and former board members to go through as well as all the girls and their families. I hope that the outstanding program of WTCP has been able to continue as usual and that my actions have not hurt its integrity as that was never my intention.

I promise to return what I have taken from WTCP and will continue to hope for the success of it.

Again, with my sincerest apologies and regret,

A handwritten signature in cursive script that reads "Mary Lou Puccio". The signature is written in dark ink and is positioned above the printed name.
